30 total reports
Incident reports 22
 Injury - 21 (3 major)
 Complaint - 1
Declined Service – 1
Youth Pro. - 7

YTD 423 total reports

Weekly Incident Report: At a Scout sleep-over, a Scout fell off the top bunk onto the floor resulting in a serious head injury.

Safe Scouting’s Tip for Success: Top bunks should not be used without adequate safety rails or roll-off protection. When booking a camp or sleep-over where bunk beds are being used, ask about the safety measures the camp has taken to mitigate the risks. Bunk beds should never be used as play equipment.
