Would your Scout Group like its own webpage?

Would you like to be able to better communicate with your youth, parents and leaders about your meetings, camps and events?

Let us help you set up your very own webpage off of the SLS Area Scouts website. It is easy to set up and maintain. And it is FREE! Check out: www.slsareascouts.ca/3rdaurora for an example.

Interested? Contact SLS DAC Marketing and Communications Ken Turriff at ken.turriff@hotmail.com.

Recognize a Scouter today!

There are many Scout leaders that go the extra mile every week. Now Scouters can be nominated for recognition by a youth, parent, sponsor or a fellow Scouter. The process is simple. Click on the icon on either the SLS or Scouts.ca website and follow the directions.

Make sure that anyone who has served Scouting receives the recognition they deserve.

For more information, contact SLS DAC Awards and Recognition Lloyd George at sls.oldwolf@gmail.com.

Greetings from the SLS Area Scouts Gilwell Club

We would like to take this opportunity to say hello to all our members - past, present and future, and to bring you up to date on what's happening with your Club.

For any of you who are not familiar with the Gilwell Club, we are a group of Leaders who have taken our Part 2 Training and are recognizable by the Beads we wear around our Scarves.

Our club offers service for youth activities including KubKars, and Apple Day. It is also a social group. Our activities include bowling, potluck dinners, dances and the annual Gilwell reunion camp.

For all our current members, our next meeting is scheduled for Sunday, November 18, at the Northridge Salvation Army Church in Newmarket. The meeting will start at 7:30 pm.

This is an open request to all our members to attend this meeting. Many issues were brought up at the reunion and we want to discuss how we're going to proceed, and make our Club healthy again. Many of our members haven't been out for a while, and we'd really like to see them back.

The Committee for this year's Club is:
