

## Shining Waters Council: Beaver Buggy Rally Rules 2018

1. The maximum weight for the Beaver Buggy cannot exceed 100gm.
2. The only weights that are allowed are Canadian Beaver nickels. These weights are to be glued to the top of the Beaver Buggy base.
3. The registration number is to be located at the top rear of the Beaver Buggy base. Only the registration number is to be used on the Beaver Buggy. No other numbers are allowed.
4. Light oil or graphite powder may be used as lubricants for the wheels and axles. Each racer will be able to lubricate their vehicle once before the runoffs and once before the finals. No excess lubricant is permitted.
  - a. Each Beaver Buggy will be assessed for excess lubricant by the officials at registration and the officials have sole responsibility for this judgment. If a Beaver Buggy is judge to have excess lubricant, it will not be registered and the Beaver Buggy will have to be cleaned to the official's satisfaction before it can be registered.
5. Identification:
  - a. All entrants must include the following information on the unpainted bottom of the Beaver Buggy in legible writing:
    - i. Name
    - ii. Age (as of Dec. 31)
    - iii. Colony and Area
    - iv. Current Year (2018)
  - b. Registration number must be visible on top of the Buggy.
6. Only one Beaver Buggy may be entered per Beaver. The Beaver Buggy must not be a previous year's Beaver Buggy.
7. If glitter is used, it must be sealed with a clear finish.

\*Once the Beaver Buggy has been inspected and approved, and the races have started, NO adjustments or lubrication will be allowed, unless damage has occurred while racing.\*
